Piedmont Academy continually strives to update the accuracy of all written materials, including, but not limited to, promotional information, brochures, handbooks, and advertising. In an effort to do so, however, information included in the materials (including, but not limited to, class sizes, student-to-teacher ratios, teacher qualifications and specialization, teacher tenure, etc.) may change as our programs grow and develop and as our staff changes. Prior to relying on any written materials in making your decision to enroll or re-enroll your child(ren) in Piedmont Academy, please verify the accuracy of information with the Headmaster. Please also understand that even if the information was accurate at the time that you enrolled or re-enrolled your child(ren), the information may have changed prior to commencement of classes or during attendance at the school. Please also note that only the Headmaster or his designee has the authority to make commitments regarding the nature of the program, specific arrangements for your child(ren), or other changes from the school's regular curriculum.
