Re: Proposed Bear Creek Reservoir
Newton County Board of Commissioners

Dear [REDACTED]

I am writing because you submitted written comments to the U. S. Army Corps of Engineers ("Corps") in response to the Joint Public Notice issued for Newton County's proposed Bear Creek Reservoir project. The County and its consultants are reviewing the comments received by the Corps and will prepare a written response. In order to keep interested parties informed about the project, Newton County will be hosting a Public Information Meeting to provide a project update and to address any questions you may have. The Public Information Meeting is scheduled for 7:00 p.m. Thursday, March 6th at the Board of Commissioners' Meeting Room on the second floor of the Historic Courthouse, Covington, Georgia.

We appreciate your interest in this project and look forward to seeing you at the Public Information Meeting. With best regards, I remain

Sincerely yours,

Wm. Thomas Craig,
Attorney for the
Newton County Board of Commissioners
